

SORRY!

If you were expecting to download a PDF file to make a kilt, I apologize. Some people see fit to link directly to that particular file, stealing my bandwidth. A lot of bandwidth, in fact.

To my Xmarks friends, I do regret using these tactics but it's necessary. Please copy/paste or type in the following link to find the Xkilt pdf.

http://www.kellanmeigh.com/x_kilt/Xkilt.pdf

Sorry for the inconvenience.
